## CHÂTEAU PURCARI

**Cuvée Alb de Purcari 2019**

**Chardonnay, Pinot Grigio, Pinot Blanc - dry white wine**

**History:** Purcari is recognized as the most popular winery among Moldovan wine producers, being a leader in the production of premium wines in Moldova. The estate is located in the Purcari wine region, south of Moldova.

The winery's heritage dates back to the 19th century when French settlers partnered with local monks to begin planting Bordeaux varieties here, alongside the indigenous grape varieties.

Over the years, Château Purcari has won more than 250 medals in international competitions such as “Decanter World Wine Awards”, “International Wine & Spirits Competition”, “Challenge International du Vin”, “Effervescents du Monde” and many other international contests.

**Viticulture:** Reasoned wine culture with respect for the environment and the natural cycles of the terroir and the vine.

**Vinification:** “Alb de Purcari” is a stunning white composed of 50% Chardonnay and 45% Pinot Grigio, along with a drop of Pinot Blanc 5%. The grapes are sourced from estate vineyards planted close to the Black Sea, which provides a cooling influence and helps to preserve aromatics and freshness. Hand harvest only. Aged for **6 months in French oak barrels**.

**Tasting:** With a beautiful light golden color, the wine has a complex aroma of green apple, honeysuckle and stone fruit. The palate offers mouthwatering freshness, a medium body, and a well-rounded texture with hints of cream and toasted oak from the barrel ageing. The acidity is well defined and prolongs a remarkable aftertaste. This is a sensual, slightly velvety wine-experience that seduces all your senses...

**Perfect with** semi-mature cheese with a rind; cod fillet with asparagus and hollandaise sauce. Serve at 10-12°C.

**Official importer:**

**MAISON TANASE**

**Bordeaux, France**
